Mr. Weisberg,

I was very sorry and relieved to learn that you were ill and underwent heart surgery.

I will be sending in an order for some of your books in a few weeks when I have more space & $, but just wanted to wish you well and again to thank you for the wonderful and patriotic work on the JFK assassination you have done! I also do assassination research and have looked into the JFK and Olof Palme (Swedish Prime Minister) assassinations.

Some of us are trying to organize an international conference on the JFK & other assassinations - probably 11/22/90... we hope you can attend - you will be invited to speak - if you care to. Location and details not yet known.

Anyway, best regards. You have been an inspiration to me and so many others! Keep it up!

Warmest regards,

Peter Lemkin
